

## Ways to help

### Program Volunteer

We need volunteers every weekday, all year round, to help and supervise the children. Homework, tutoring, life-skills, music, art and so much more.

### Special Events

Christmas with Dignity

Open Hands | Open Hearts

### Work Projects

Special work times can be scheduled, for individuals or groups, to assist us with building repairs, painting, landscaping, cleaning and more.

### Prayer

Cottage Cove and its staff needs your ongoing prayer support.

### Come

DTI Missions in Nashville is designed to bring your youth and adults for an unforgettable week of ministry, both a time of learning and hands on service.

### Give

Cottage Cove is dependant on the generosity of individuals, families, organizations, and businesses, to make our programs possible. Your financial gift, or gifts of materials, equipment, instruments, supplies, and even auctionable items (from services to automobiles) all make a difference.
