

24th Annual

# CHRISTMAS STORE

December 11, 2021 8:30 a.m. till 4:00 p.m.

*Our Christmas present to you!* Once again Cottage Cove is hosting our annual Christmas store featuring **only new items**, including toys and clothing of all sizes (and lots of socks!). Imagine a store where everything costs only a few dollars, even bicycles, computer tablets, R/C vehicles, and other amazing gift items. You can fill your Christmas wish list for each child in your family for a **small fraction of original store prices**. Most items become \$1, \$2, or \$5, and a few for \$10 or \$15 (which have included foosball tables, sewing machines, tvs, musical instruments, and other normally big-ticket items). We want to help you stretch your hard-earned dollars and have the satisfaction of providing Christmas for your child.

Open **only** for parents and guardians of children attending Cottage Cove and select others by invitation only; you won't want to miss this event. Quantities of some items are limited and are available on a first come first served basis. Free gift wrapping is available. If you have questions or know anything special you'd hope our store might have, please talk to Angie (ext 102). **You must RSVP.**
